In the Notice of Allowance issued in the above-mentioned parent application on April 23, 2003, the Examiner cited the following documents:

U.S. Patent No. 6,366,063 to SEKII, issued on April 2, 2002; and

U.S. Patent No. 6,448,950 to CHENG, issued on September 10, 2002.

Applicants note that the above-mentioned documents were either submitted with an Information Disclosure Statement or provided by the Examiner in above-mentioned parent application, and thus, copies of the same are not attached hereto. However, if any copies are needed, the Examiner is respectfully requested to contact the undersigned.

Applicants also submit here with a copy of a European Search Report from the European Patent Office with respect to counterpart European Patent Application No. EP 03 01 8996, in which the European Patent Examiner cited the following documents:

French Patent Application Publication No. FR 2 762 705 A1, which was published on October 30, 1998, together with patent family member U.S. Patent No. 5,994,929 to SANO et al., which issued on November 30, 1999. Applicants note that this is a newly cited document, and as such, a copy is being attached hereto; and

Japanese Laid-Open Patent Publication No. HEI 10-268831 (mentioned above). Applicants note that this document has already been submitted with an Information Disclosure Statement in the parent application, so no copy is being attached hereto.

The category of relevance, pertinent portions, and claims to which each document is relevant, as ascertained by the European Patent Examiner applying European rules to the European claims are set forth in the European Search Report.

Applicants respectfully request that the Examiner consider the above materials and cite the patent documents. The above-noted documents have been listed on a PTO-1449 Form which is also
